About SCAAC

The Stanwood Camano Arts Advocacy Commission (SCAAC) builds community by partnering, educating, celebrating, and advocating for the arts. Through events like MAC Fest, educational programming, and artist support, SCAAC works to build a stronger, more creative community.

What is MAC Fest?

MAC Fest is an arts festival started by SCAAC in 2024 (MAC stands for Merging art and Community). SCAAC has been putting on arts events and providing arts education in the community for several years. We'll kick off MAC Fest 2025 with a Block Party on Saturday, August 30th on the brick road, right in front of the future Meyer Art Center. For the whole weekend, we'll offer arts education, events, and activities for all ages. Come celebrate art and community with us!
